

Data Recovery Services

Perfect Computers has extensive experience in assessing data loss situations and providing expert guidance for the recovery of your data. To provide you with the best possible opportunity to recover your data, we recommend sending your media to our valued partner, DriveSavers Data Recovery.

DriveSavers has specialized in recovering lost data for 20 years and has the highest success rate in the industry. The company recovers data in as little as 24 hours from all operating systems and storage media including hard drives, RAID, disk arrays, servers, floppies, CD-ROM/DVD, backup tapes, flash memory, removable and magneto-optical cartridges.

DriveSavers is authorized by all hard drive manufacturers to open sealed drive mechanisms without voiding the original warranty. They are known worldwide as the most trusted and respected company in the industry.

Please do not hesitate to contact us or DriveSavers for assistance. If you contact them directly at 800.440.1904, mention our Partner ID # 12155 and you will receive a discount.
